

#### David & June Schafer, Humanist Heroes

Join us Monday, May 21, at 7:30 p.m. at 700 Hartford Turnpike in Hamden when the Humanist Association of Connecticut's vice-president, Rev. Douglas Peary, will return with a very special addition to his "Humanist Heroes" series. This month his subject will be our very own Dr. David and June Schafer.

Dr. David and June Schafer were cofounders with Rev. Robert and Joan Rafford of The Humanist Association of Central Connecticut in 1989. The name was later changed to The Humanist Association of Connecticut. David and June have continuously held major roles in the direction of our organization.

They were born five days apart in Wichita Kansas in 1931 and were placed in the same bed. Their parents went in different directions so they didn't know each other until age 13. Their youth was filled with achievement; their young adulthood was filled with exceptional education. Married in 1949, they had a son and daughter, and later went to India where they worked to cure disease and educate children of the streets and of the well-to-do.

They brought Indian youth to America, treated them as family, and aided in their advanced education. David and June's lives were spent in medicine and education. They have been active in Unitarian Universalism, Humanism, and social action all of their lives, and still are, after 63 years of marriage.

We will start with half an hour of coffee and conversation at 7:30 p.m. on Monday, May 21, at 700 Hartford Turnpike in Hamden. Doug's talk will follow brief announcements at 8:00 p.m.

## Humanist Cinema on May 4

Enjoy a potluck dinner, Academy-Award winning film and conversation this Friday, May 4, at 6:30 p.m. at 700 Hartford Turnpike in Hamden!

Start with a potluck dinner beginning promptly at 6:30 p.m., then at 7:00 watch Charles Ferguson's acclaimed 2010 documentary of the truth behind the devastating economic crisis of 2008. "Inside Job" was the first and is still one of the best films attempting to explain exactly what happened to cause the financial disaster with the aftereffects that continue to plague the economies of the world. Called "the film that cost over \$20,000,000,000,000 to make," and hailed as "a crime story like no other in history" and "a powerhouse of a documentary that will leave you both thunderstruck and boiling with rage," it won many coveted critical prizes, including an Academy Award in 2011 for Best Documentary, Features.

After the movie join in the ensuing vigorous discussion, led by David Schafer and Kenny Foscue.

#### Conversations: Reason Rally Redux

On Saturday, May 5 at 2:30 p.m. at 700 Hartford Turnpike in Hamden we'll show archival footage from the coverage of the recent Reason Rally in Washington, DC. Refreshments will be served.

## May 12 Book Group: "The Road"

On May 12, we will discuss *The Road* by Cormac McCarthy. This novel won the Pulitzer Prize for literature in 2006. This is a very dark novel with some rather disturbing scenes and with strong religious (and humanist) themes. This should lead to some very interesting discussion. The discussion will be from 3:00 p.m. to 5:00 p.m. at 700 Hartford Turnpike in Hamden.

## Hartford Area Dinner & Speaker

We are pleased to announce that Larry Rifkin will be our guest speaker at our Hartford area social dinner on Tuesday, May 22. His topic will be, "What does humanism say about our place in the universe, and does it make any difference?" The meeting will be held at Hanafin's Pub, 21 Rankin Rd, Glastonbury, with socializing and drinks at 6:30 p.m. and dinner at 7:00 p.m.
